END OF ADDENDUM NO. 1

The District hereby expressly reserves the right to make any lawful addition and/or revision in these Rules and Regulations when and as they may become advisable to properly manage the District and to promote the peace, health, safety and welfare of the customers of the District. These Rules and Regulations are supplementary to, and are not to be construed as, any abridgement of any lawful rights of the District as outlined in the Colorado Revised Statutes governing special districts, including, but not limited to, the right to disconnect or to refuse permission to connect any sewer service for violation of these Rules and Regulations or the International Plumbing Code.
